Subject: MMC Metrology Lab is sole source distributor for Ashcroft Inc.'s Weksler Hi-Shock and MIL-Spec products

To Whom It May Concern:

MMC Metrology Lab, Inc. in Virginia Beach, Virginia is Ashcroft's sole source distributor for Weksler Hi-Shock pressure gauges MIL-G18997E; High Shock Gas actuated thermometers MILT-19646; High Shock Bimetal Thermometers MIL 1-17244E and Mil spec Thermowells MIL-T-24270B. MMC carries a large inventory of Weksler products with the ability to meet your immediate needs.

MMC Metrology Lab is authorized by Ashcroft Inc. to quote and sell to all domestic parties, US Government, US Armed Forces, DSC - Defense Supply Centers, including ESOC - Department of Commerce Enterprise Security Operations Center and BPA – Blanket Purchase Agreements.

Additionally, MMC Metrology Lab maintains authorization from Ashcroft Inc. to perform field service repairs on Weksler Hi-Shock and Mil-Spec products including instrument reconfiguration to master drawings; repairs to Weksler products per product specifications consistent with the quality requirements of Ashcroft Inc., utilizing factory supplied components and drawings. This field service can be provided by MMC Metrology Lab on site or in their service facility in Virginia Beach, Virginia.

I am confident that you will be satisfied by the high levels of service and support that MMC Metrology Lab provides regarding Weksler Hi-Shock and Mil-Spec instrumentation. If you need any further information regarding this partnership between Ashcroft Inc. and MMC Metrology Lab, please feel free to contact me directly.

Please contact Mary Moran at MMC Metrology Lab for pricing and delivery on Weksler Hi-Shock and Mil-Spec products. Contact Andrew Troullier if you have questions concerning MMC Metrology Lab's quality program or accreditation. If you require technical assistance, please contact Steve Swetz, Q. A. Engineer, MMC.

This sourcing relationship remains in effect as of Jan 1, 2023, through Dec 31, 2023.
